REQUEST FOR QUOTATION (RFQ-2502)

Web Portal Development for MAC Institute

MAC Georgia

Date: June 17, 2025

MAC Georgia is a not-for-profit, non-governmental organization working to improve the lives of vulnerable groups across Georgia.

As part of our commitment to expanding inclusive education and professional development opportunities, MAC Georgia is launching a new initiative: the MAC Institute, a centralized platform for online, hybrid, and in-person trainings.

We hereby invite qualified web development companies or freelancers to submit their quotations for the design and development of a fully functional, mobile-responsive e-learning web portal for the MAC Institute.

Please refer to the attached Technical Brief and User Flow for full project

requirements.

SCOPE OF WORK

The selected contractor will be responsible for:

- Designing and developing a full-featured e-learning web portal.
- Implementing user authentication (Email, Google, Apple).
- Building course listing, purchasing, and progress tracking features.
- Creating an admin panel for content, user, and payment management.
- Integrating secure card payments and invoice generation.
- Implementing SEO and basic analytics.
- Ensuring responsive and accessible design for mobile and desktop users.
